

Maintenance Tasks Challenge

Using Ola Hallengren Maintenance Script. Create the following jobs to run on the JR_Movie database at the scheduled times:

- Full Database Backup Daily @ 2pm
- Differential Database Backup Daily @ 2:10pm
- Log Database Backup Daily @ 2:20pm
- Index Rebuild on JR_Movie Database Daily @ 2:30pm

Next steps.

Submit the log for each task after it is completed to the drop box. Please upload the log files individually (Not as a zip file).

Sample Rubric

	Logs free of errors	Log with 1 error	Student did not attempt challenge
Full Database backup	2	1	0
Diff Backup	2	1	0
Log Backup	2	1	0
Index Rebuild	2	1	0
